INSTITUTE COMMITTEE.

Students' Opinion Stated.

At a meeting of the Institute Committee, held Friday noon, the following officers were elected temporarily: President, W. D. B. Motter; Vice-president, H. L. Williams; Secretary and Treasuer, Nugent Fallon. H. L. Williams was elected to represent the Institute Committee on the Advisory Council. A motion was passed requesting the presidents of the four classes to urge their class men to comply with President Pritchett's request for written statements of facts regarding the affair of last Wednesday night, and a committee consisting of J. P. Lawton and Norman Lombard was elected to draw up a statement expressing the students' opinion of the so-called riot.

At a meeting held Saturday morning, it was voted to issue the following statement:

Inasmuch as some action on the part of the student body at Technology, regarding the so-called riot of last Wednesday night in front of Rogers Building, seems to be called for by the general public, the Institute Committee, the official representative of the student body, makes the following statement:

Technology's tradition is to mount Rogers steps after all student gatherings to cheer and sing. As this privilege has never been denied, and the custom has never proved annoying, it was naturally to be supposed that we would mount the steps after the parade of last Wednesday night. If the students had been allowed to govern their own actions, and had not been molested by the police, there would have been no great disorder and the students would have quietly dispersed. In view of this fact, the action of the police seems to be entirely unwarranted.

The following resolution was also passed at this meeting:

Resolved, That the Institute Committee, the official representatives of the Massachusetts Institute of Technology, express its appreciation of the kindly feeling of interest and sympathy shown by the men of Harvard University for the men of Technology since the deplorable affair of last Wednesday night.

LAWYER'S NOTICE.

Affidavits to be Taken.

Mr. Giles Taintor, counsel for M. I. T. in the police affair of last Wednesday night, has arranged with the Technology authorities to have two lawyers at Rogers every day from 10 to 12 A.M. and 1 to 5 P.M. These lawyers will take the affidavits of all men who have any evidence regarding the affair, and it cannot be too strongly urged upon all who saw the fight to come in and see the counsel, whether they wish to formerly testify or not.

If you will come at your earliest opportunity, the lawyers will make an appointment to talk with you fully.

Mr. Taintor has been retained by President Pritchett, and his request should receive the consideration given one from the President himself.

President Pritchett Addresses Freshmen.

President Pritchett addressed the Freshman Class in Huntington Hall, Saturday morning at 11 o'clock. The president spoke of the disturbance of Wednesday night last, and touched upon the relations between Harvard and Tech.

Sophomore Class Meeting.

The Sophomore class held a meeting in Room 6, Lowell, Friday, November 4, at 4 P.M. The object of the meeting was to let the class as a whole know how Field Day preparations were progressing. The Field Day Committee announced that arrangements had been completed with the management of the Globe Theatre to have everything satisfactory for Tech students on the evening of November 12. An assessment of 50 cents was voted to support the Field Day Committee. President Leavell urged the class to come forward and help the different interests of Field Day as much as possible, as this is the last year that the class of 1907 will be directly connected with it.

Notice.

All Freshmen who wish '08 flags for Field Day, please leave names at Cage at once for W. F. Dolke, '08. The flag is a regular Tech flag, with '08 on it in place of a T. Price 50c.

Chess Club.

A meeting of the Chess Club was held Saturday, November 5, at 1 P.M. in Room 11, Rogers. The following officers were elected: President, C. B. Morey; secretary and treasurer, S. P. Newton; manager, W. I. Lourie. An executive committee, consisting of the officers of the club and P. N. Swett, M. Helpern, and H. M. Edmunds, was also elected. It was voted to hold a tournament this winter among the members of the club, details to be worked out later. A practice match with the Harvard Chess Club has been arranged to take place next Tuesday evening, November 8, at 8 o'clock at the Harvard Union. A committee of three, consisting of H. M. Edmunds, W. I. Lourie and S. P. Newton was elected to arrange about the play with Harvard. Fifteen men are to play on each side. This large number of players will make it possible for all members of the club to have a chance to play. Those desiring to play should leave their names at the Cage for W. I. Lourie on Monday.

SOPHOMORE FOOTBALL.

Brighton High-17. 1907-0.

In the game at Brighton last Saturday, the Sophomores were defeated by the score of 17 to 0. 1907 was outclassed in every way. Their ends were particularly weak, and Brighton made over 200 yards around them. Several times 1907 was within striking distance of their opponents goal, but lost the ball on downs. Brighton made two touchdowns in the first half and in the second half they made another after a run of 60 yards by Lonagin.

Walker Memorial Library.

It is always encouraging to see the loyalty of Technology graduates for their Alma Mater manifest itself in a tangible and practical way. Several instances of this have come to our attention of late, not the least of which is the donation of a number of books on athletics and gymnastics, which are now placed in the General Library. The collection is to be known as the Walker Memorial Library, and contains about 375 books and ten magazines, and is one of the finest collections of its kind in existance. The donor desires to remain anonymous. It would seem to us a fitting and graceful thing if the students at Technology should start a competition for the design of a book plate for this library. This work might be easily undertaken by the architects, and would surely receive the support of the students in general.

Gymnasium Clases.

Regular class work in the Gymnasium will begin Monday, November 14. There will be two distinct classes on Mondays, Wednesdays and Fridays, from 4.15 to 5.00 and from 5.05 to 5.50 respectively. The hours between 4.00 and 6.00 on Tuesdays and Thursdays will be devoted to heavy gymnastics and individual work. Students are urged to attend regularly and promptly the classes they may choose, and to remain in the squads to which they are assigned. Such co-operation on the part of the members of the classes aids greatly in making gymnasium work noble, progressive and interesting.

All students intending to enter the gymnasium classes, who have not already taken a physical examination, should do so as soon as possible.

Hollis Street Theatre.

William Gillette has been splendidly received in "The Admirable Crichton," and the general verdict is that this delightful comedy by J. J. Barrie is the most brilliant success that he has ever made. The castaways in the Pacific, and the rise and fall of the wonderful butler, are splendidly shown by Mr. Gillette and Charles Frohman's excellent company.

Colonial Theatre.

This is the last week of vivacious Fritzi Scheff in Boston, and then "The Two Roses" will be a memory of the past, but a delightful one. It is a charming comic opera and presents the brilliant prima donna in the best character that she has ever had before the Boston public. Her company is excellent, and the production notable in all respects.

Park Theatre.

Boston now has a chance to see "The Secret of Polichinelle" which enjoyed so great a vogue when James K. Hackett presented it in New York last winter. This clean and sparkling comedy from the French is presented by a strong cast headed by W. H. Thompson, the sterling favorite, and including W. J. Ferguson and Drina De Wolfe.

Tremont Theatre.

Miss Henrietta Crossman, surrounded by an able company, is continuing her success in David Belasso's scenic production, "Sweet Kitty Bellairs" at the Tremont. The scene of the play is laid in Bath during the Gainsborough period, and the love, war, and social intrigue of the time are faithfully portrayed. Miss Crossman as Mistress Kitty Bellairs, the dashing widow, adds one more triumph to her list of successes.

There will be a meeting of the *Technique* Board 1905, in the Trophy Room, Tuesday, November 8, at 1 P.M.

Ballots for the Freshmen election are due by Tuesday, November 8, at 6 P.M.
